

Dear Parents, Students & Faculty

This school year is sure to be filled with fun and excitement at Black Horse Pike Regional School District .

Meal service begins on September 7<sup>th</sup> 2006 in all schools and will include both breakfast and lunch. The school district participates in the *USDA National School Lunch and Breakfast Programs*, which means that all meals meet or exceed the guidelines and regulations for the *School Meals Initiative for Healthy Children*. There also will be a la carte foods available during lunch. You can access our menus monthly on the schools web page. Also, you may prepay for breakfast and lunch (see below)

Our theme for this year's food program is Food, Friends & Fun! We've planned lots of exciting events to encourage the students to learn more about nutrition and healthy eating habits that will benefit them for a lifetime.

High school students can look for their favorites in the CrossRoads Café. We look forward to serving the students, parents, and staff at Black Horse Pike Regional School District during the 2007-2008 school year. If you have questions or comments about the food service programs, please contact Keith C. Nocco, general manager, at 856 227 4100 ext 4025. Thank you for your support and interest in the school meal programs.
