**Disclaimer:** This calendar has been developed using the New Jersey Department of Education's List of Religious Holidays Permitting Pupil Absence From School", adopted on March 18, 2009. The "New Jersey Department of Education has made every attempt to ensure the accuracy of the dates. The information has been verified through the use of various sources and some dates may vary due to the lunar, Gregor and Julian calendars."

No days have been provided in this calendar for emergency closings due to weather or other problems. In the event of inclement weather, five days will be added to the end of June. The sixth and seventh days will be taken from the Spring recess on April 9 and April 8 in that order. Staff, parents and pupils must anticipate the actual closing of school and graduation to occur a number of days beyond the very last tentative days shown on this calendar.

\*\*Unless closing responsibilities have not been met, in which case continued service will be required until all duties are completed.
