## SPOTLIGHT ON HIGHLAND

**Hurricane Sandy**

The students, staff, & Highland community collected clothing, food, and other items for the victims of Hurricane Sandy. Highland students and staff delivered the items to Wildwood High School on November 21st. The items were dispersed to families in need.

Mrs. Zoladz's Spanish class raised \$1,008.00 to donate to the Food Bank of South Jersey through their *Just Peachy Salsa* sale.

**Academic Breakfast**

364 students received junior varsity or varsity academic letters based on their GPA from the 2011-2012 school year. Any student finishing the school year with a 3.0-3.4 received a junior varsity letter and all students with a 3.5 and above received a varsity letter.

**SSR**

For each book a student reads per marking period, his/her name is entered into a raffle for a free Nook. Below are the winners from the 1st marking period.

Triton Science Teacher, Ryan Hughes,  
is National Women's Cross Country  
Coach of the Year!!!!

He coached two Triton Grads to win  
a National Title!

Rejeena  
Whittington (2011) and Isabelle  
Clermeus (2012), members of the  
GCC women's cross country team,  
captured the NJCAA National  
Championship in November. Rejeena  
finished 3rd in the nation, and also  
earned All-American Honors. Isabelle  
finished 43rd in the championship  
event to round out the GCC  
Roadrunner pack that dominated the  
national scene all season.

The GCC men's team, also coached by  
Ryan Hughes, placed 2nd in the  
nation, and the program earned the  
"Coaches Cup" for best combined  
cross country program in the nation  
in 2012.

# HOLIDAY GREETINGS!

Triton Regional High School was recognized  
by NJSIAA for the "Sportsmanship Award for  
2012." This honor is an excellent reflection of  
good character, quality programs, and strong  
community. Congratulations to all who partici-  
pated and/or supported our sports programs.

## CONGRATULATIONS NHS INDUCTEES!

Congratulations to the 57 new members who were inducted into  
the Triton Regional High School Chapter of the National Honor  
Society on December 5th. They joined the 63 returning seniors.  
This year there are 110 outstanding students who exemplify the  
pillars of NHS: scholarship, leadership, service and character.  
Mr. Edward Stahl gave a heart-warming speech in which he re-  
cognized them for their commitment to the pillars. The inductees  
were also addressed by Superintendent, Mr. John Golden, Interim  
Principal, Dr. Daniel Mackie, NHS Officers: Kathryn Hogan,  
Bridget Parker, Julie Millisky, and Melanie Derham. Domenica  
Dowling addressed the students on each of the five pillars, the  
fifth being support from home.

**Brooks-Irvine** has named Triton  
Graduate (2008), **Chris Howley**,  
Division 1AA College Player of the  
Year. Chris might be the hardest work-  
ing player Triton has ever seen and his  
achievements at the next level can attest  
to that. Chris has been a 4 year starter at  
The University of Maine, 2x First-Team  
All CAA performer, and an All Ameri-  
can. He is definitely someone for which  
our whole school district should be  
proud.

## CONGRATULATIONS, CHRISTINE DZICZEK

CONGRATULATIONS ON BEING  
AWARDED THE DAANJ SOUTH-  
SECTIONAL AWARD OF MERIT FOR  
YOUR DISTINGUISHED LEADERSHIP  
IN THE FIELD OF ATHLETICS.

# SPOTLIGHT ON TIMBER CREEK

## TIMBER CREEK FOOTBALL #1

The Chargers won their second South Jersey championship in two years—this time at the Group 4 level—with a 57-27 victory over Kingsway.

The game was played at Rowan University Saturday night in front of a packed crowd.

The Chargers were led by the outstanding play of Junior Dan Williams, who threw 5 touchdown passes on the night.

The seniors on this team have competed in three state championship games, and will

be remembered as one of the best classes ever at Timber Creek High School.

Timber Creek, playing out of the West Jersey Football League's Royal Division, won eight in a row to finish the 2012 season at 10-2.

## INTERACT

December 1<sup>st</sup>, **Interact** members gathered with the **Marching Band** to celebrate the holiday season in their usual merry style – walking down the Black Horse Pike handing out candy canes to hundreds of excited children. Supported by the Rotary club, they created a beautiful Frosty the Snowman inspired float that lit up the street with magic and music!

## FACULTY FLAG FOOTBALL

The Class of 2016 hosted its 1<sup>st</sup> annual Faculty Flag Football game. 26

Faculty members came out to play and referee the game. All participants truly had a lot of fun while maintaining their competitive spirit. Before the end of the game, a few players were discussing that they couldn't wait to play again next year!

## WINTER FORMAL

Freshmen and Sophomores hosted a fun-filled Winter Formal. If the students (and adults) weren't on the dance floor, they were enjoying the photo booth! Congratulations to Sophomore King and Queen, Kaceme Porter and Jun King, and to Freshman Prince and Princess Joseph Ucci and Bailey Allmond!

## TECHNOLOGY CLUB

For the last couple of Wednesdays, the Timber Creek **Technology Club** has been developing a “back pack rack.”

The students have expressed concern over the years about articles of clothing and their book bags continually being covered with saw dust and any other building material from the work tables that they use in the technology lab, so they decided to do something about it. The students started by measuring the existing teacher work station and drawing up the plans for the rack.

The rack was designed for convenience and visual appeal. After the plans were finalized

and approved by Mr. Smith, the building began.

It took 2 months to design, build, sand, shellac, and install the rack, but the students are very pleased with the results! The students also added a TC logo with a Charger lightning bolt as a finishing touch.

It looks really great so, if you get a chance, check out the lab and the newest edition, the “back pack rack!”
