Congratulations, also, to Deanna Tran and her assistant, Briana Frazier, who also won a \$500 grant to create a sustained silent reading library. Special thanks to Mr. Karetny and Mr. Hart who inspired their efforts.

HISTORY DEPARTMENT

On Thursday, March 14th Korean War Veteran, Captain Jackson, and (5) other servicemen visited Timber Creek. Captain Jackson, along with his fellow veterans, shared first-hand accounts and stories about their experiences in Korea while fighting in the Korean War.

Students in Mrs. Nordone, Mrs. Mawson, Mrs. Doppler, Mrs. Gibbs, Mrs. Griffin, Mr. Sarkees and Mr. Gladden's History classes welcomed the veterans and learned invaluable information about the Korean War and the

veterans' experiences serving our country. Since the men were only 18-20 years old when they were drafted, the students realized the necessity of men and women serving our country in the military. All attendees were honored and humbled by Captain Jackson's stories and are proud to acknowledge the commitment these men made to serving our country.

March 13th at the South Jersey Track Coaches Association Banquet, several
