RUTGERS BizEd WINNERS

Two TC students proved they are ready to become future business leaders by winning BizEd, an intensive two-week summer camp at Rutgers University-Camden School of Business. Students Bryant Wong and Vincent Russo were awarded free Kindle Fire tablets for their accomplishments during the camp, designed to prepare the rising high school seniors for the rigors of collegiate business education. July 9 through July 20, fifty teens from Burlington, Camden and Gloucester Counties were introduced to the theory and practice of accounting, finance, management, marketing, and

technology as part of Rutgers' BizEd camp. The students worked with the Rutgers-Camden faculty to examine business disciplines and learn the role technology plays in the business world. They also interacted with area executives who offered career guidance and provided up-to-the-minute insight regarding current job, business, and economic trends. Students graduated from BizEd during a special ceremony at Rutgers-Camden on July 20. Each graduate received certification of his participation. Other students from Timber Creek who participated in the BizEd camp were Victoria Kendall and Justin Quigley.

PATRIOT DAY

We commemorate each year with ceremonies and personal reflection in memory of the September 11, 2001 terrorist attacks in the US that killed thousands of innocent people and changed the lives of thousands forever. TC held a beautiful tribute with an assembly that included the Mayor, Board Members, Administrators, Staff and Service people. Thanks to Mr. Saunders for coordinating another fine ceremony.

UMDNJ

Nine students were accepted into the 2012-2013 UMDNJ Medical Science Academy housed at Kennedy Hospital in Stratford. It is an honor for students to be a part of this prestigious medical program. We are proud of them and will do what we can to help their schedule run smoothly. Due to the timing of the sessions, this program requires students to leave twenty-five minutes before the end of eighth period on Tuesdays and Thursdays. We are very excited that the

following students were accepted into the UMDNJ Medical Science Academy: Victoria Christopher, Grace Ogungbile, Kristopher Ponce, Samantha Darpino, Amal Oladuja, Michael Terilla, Austin LaRocca, Sonya Patel, and Alexis Tine. Congratulations to these students!

Don't forget to check the TC webpage for the most recent Athletic Schedule. Come out to support all of our coaches and athletes!

Make A Wish Foundation's 2012 Walk for Wishes

...was held on Saturday, September 29th at Cooper River Park in Pennsauken, NJ. This year was extremely special for us because alumni, Christina Mauriello, graduate of 2012 and a Miss Mustang contestant, was a "wish kid" herself. Our *Go4theGoal* organization held many fund raisers this year, and raised over \$2,400. All proceeds from this walk provide the resources necessary to ensure that no medically-eligible child in NJ goes without a wish.

Special Thanks to all involved!!!!
