Dear Parent:

Your participation in your child's education is important to us. Because of this, we have developed a parent involvement policy for our schools. This policy explains how we plan to work with parents to review and improve programs and describes how you can participate in planning these programs. We value your involvement and urge you to take the time to read this policy.

Federal law requires us to distribute our parent involvement policy to parents. Please sign the form below and return it to your student's High School's main office by September 16, 2022 so that we can be sure you received this important information.

If you have any questions, feel free to call the school's Principal or Black Horse Pike Regional School District's central office at 856-227-4106, ext. 8014.

Sincerely,

Marcie Geyer
