

Black Horse Pike Regional School District Spotlight on Alumni Spotlight – NOVEMBER 2020

KEVIN CASEY, CO '94

“Kevin graduated from Highland in 1994. He has since become a well-respected social studies teacher at Pitman High School. In 2017, Kevin was the recipient of the distinguished James Madison Fellowship Award. In addition to his success as an educator, Kevin is also the fan favorite PA announcer for the Philadelphia Union Soccer Team. But even above all his success, Kevin's greatest commitment is to his family which include his beautiful wife, Aimee and his three amazing children.” ~ Francisco Olay, Director of School Counseling, Triton HS

1. AA: Upon graduation, what post-secondary path did you take and why?

Kevin: Secondary Education – History

2. Looking back, would you have done anything differently and why?

Kevin: No. I am lucky enough to be doing what I love both as a history teacher and a public address announcer.

3. AA: Describe your career/profession today?

Kevin: I am currently in my 22nd year as a teacher of United States History at Pitman High School. In addition to my teaching career, I am also a public address announcer for various collegiate and professional teams in the Delaware Valley. I am currently the PA announcer for the Philadelphia Union, La Salle University Basketball, Drexel University Basketball, and Penn Soccer. I also work for US Soccer as their PA announcer when the team plays in the Mid-Atlantic region.

4. AA: What impact did your BHP high school have on your career path/profession?

Kevin: I was fortunate enough to learn from some great teachers and coaches who helped instill in me the passion and confidence to pursue my career path. I have nothing but fond memories from my time as a student and as a coach in the BHP school district.

5. AA: Were there specific teacher(s), coach(es), counselor(s), administrator(s), secretary(ies), or other professionals that had a major impact on you while in school, and if so, who were those professionals and describe how they helped you along your HS journey.

*Kevin: I remember with fond memories **Mrs. Jackson** who helped fuel my love of history, **Coach Homer** who taught me some great life lessons as my basketball coach. Plus, I had the honor of serving on **Coach Little's** staff as a coach and remember fondly the lesson I learned from him and **Gary Saunders**.*

6. AA: Which school clubs, sports, activities, etc., if any, did you participate in when you attended your BHP high school? If so, were there any moments or experiences that you can recall that helped you become the person you are today?

Kevin: I played soccer and basketball at Highland. I was also a class officer and member of the History Club. Many of my memories involve a teaching staff who helped me develop the confidence to take chances and to not be afraid to pursue my dreams.

7. AA: Please share any other favorite memories of the Black Horse Pike Regional School District, your HS in particular, that would inspire today's youth?

Kevin: I remember the multitude of opportunities to get involved in various clubs and activities at Highland High School. My advice for students would be to not let their high school experience pass without taking the opportunity to get involved.

8. What advice would you give to our current student body? What would you have done differently in high school if you could turn back time?

Kevin: I would encourage students to find their passion and have the courage to follow it. Create a network of connections and take full advantage of opportunities that are presented to them as they make their way through their schooling and career path.
