**Black Horse Pike Regional
School District**

Title I Services: 2021-22

**Mathematics
&
Language Arts Literacy**

The Black Horse Pike Regional School District is a community of lifelong learners nurturing the development of critical thinkers. We are committed to ensuring that all students develop skills that are crucial to their success in high school, college, and career. Title I services offer the students of Highland High School an opportunity for extra support in developing skills associated with Mathematics and Language Arts.

Tutoring Services: During School Hours

Mathematics :

Tutoring sessions are available from 8:00am —1:00 Tues., Wed., Thurs. from September through June.

LOCATION: Math Lab, Room **C-100-G**

Language Arts: Open tutoring is available during the “Tartan Time” lunch period every day.

LITERACY LAB

Students in need of extra support with developing reading skills will be scheduled for instructional sessions during the school day with Reading Specialist, Kristen Moderski.

LOCATION: Literacy Lab, Room **C-100-G**.

- Scheduling accommodates the best-case scenario for individual students’ schedules.
- Sessions will focus on targeting weaknesses identified through state tests, department benchmark assessments, and course performance.
- Various reading resources are used to support & monitor progress towards improving readiness for college and career.

Tutoring Services: After School Hours
