

# Finding your “Partner in Crime” Psychology Style- Summer Assignment For Mrs. Armstrong

*You will:*

1. Join Google Classroom. Period 3 the code is n1d7cn3 Period 8 is 55sv2db.
2. Come get the text book from c6 before the end of the year. If you are joining the class midsummer, email me to obtain a book. Read Unit 1 in the textbook. Create flash cards for vocabulary for Unit 1. (Words can be found on page 16. For each card, put it in your own words. They are all in the chapter. If you look them up in the Glossary and not read the chapter you will be doing yourself a disservice. )
3. For the person you research (You are assigned a person when you pick up your textbook. If you are joining the class midsummer, email me and I will give you a person.) you should create a “wanted poster.” The “poster” should be done on a full tissue box. (One of the plusses to this assignment is that we will have tissues thoughtout the year.) The boxes will be displayed in the room with the back facing the class so should be neatly done and in color (unless you are a very good sketch artist). It should include the following:
  - On the back of the box:
    - a. Name of your psychologist.
    - b. Which perspective they fall under.
    - c. Their important contributions to psychology and the world (MOST IMPORTANT COMPONENT). This can also include a visual.
    - d. A visual of your psychologist.
    - e. A reason they are “wanted” (you might have to be creative here, but that’s part of the fun).
  - On the front of the box:
    - f. A BRIEF BIOGRAPHY (as in, where are they from, where they were born, where they went to school and maybe one or two interesting facts.”
    - g. A quote from that psychologist.
4. Cite all sources used for your person(you should put the sources cited on the bottom of the box)
5. Write a one page [full page!] autobiography describing the SIGNIFICANCE & contributions of your FIRST person. It must be written in first person. This is to be done on google docs and handed in on classroom.
6. Design a nametag to wear that hints at your FIRST person’s personality & contributions.

This must be done by the Second day that we meet. Our activity on that day will not work if everybody has not done their summer assignments.
7. You will have three minutes with each other psychologist to decide who you would like to be your “partner in crime” and who would be your “arch-nemesis.” Prepare a 90 second introduction with key highlights about your FIRST PERSON. Pretend that you are kind of “speed dating” the other psychologists, be prepared to be honest but describe yourself quickly so you can attract a partner.
8. If you have any questions throughout the summer, email me at [jarmstrong@bhprsd.org](mailto:jarmstrong@bhprsd.org) and I will get back to you. If may take up to a week as I am only going to be checking my email about once a week.
