

APUSH2 SUMMER WORK – 2022-2023
TRITON REGIONAL HS

Welcome to APII. You will be using the AMSCO to complete the following assignments. On a serious note, I remind you that Triton does have an Honor Code and that plagiarism is a serious violation of that code and will be dealt with severely. That includes the use of web sites like apnotes.net or sharing through Google. Your AP test will be in May, 2023. This class will also be offered for dual credit. We will have more details in the Fall.

If you should have any questions, you can e-mail me at mchambers@bhprsd.org at any time during the summer. Have a great summer and I look forward to seeing you in September.
