WAIVERS WE ACCEPT

Private Pay

Supports Program (SP) Waiver

Community Care Program (CCP)
Waiver

WORK WITH YOUR LOVED ONE

OneWell Health Care strives to provide the best possible care for our participants as well as their families. When parents, spouses, and children of individuals with IDD are not able to work due to their family responsibilities it becomes even more difficult to cover the costs of care. Because of this, we strive to hire families of participants as paid caregivers!

Doing this enables us to provide our participants the best care possible through the help of family who already know them well and want to help them succeed—all while also earning a paycheck. To learn more about becoming a paid caregiver for your family member please email info@onewell.org
