Jennifer,

I just wanted to touch base with you on the strength equipment. Please let me know if you need the Pec Deck, and if any of the other schools need the remaining equipment. To refresh your memory, this is what is available:

Cybex Pec Deck, BodyMaster Seated Row, ProMaxima Side Shoulder Raise, Quantum Hip Abductor/Adductor, Ultimate Power Butt Blaster.

Thank you

Rick Zurzolo

Hello Karen,

The weight room at Triton High School in need of a new Pec Deck. Attached is an email from Rick Zurzolo for The Firm Fitness Center in Marlton. He has several pieces of equipment that he would like to donate to the school and/or the district. We would like to take the Pec Deck only for Triton. Could you please put this on the agenda for the Board Meeting?

Thank you,
Jennifer Brown
