Mary-Alice Baratta – District Administrator
mbaratta@bhprsd.org

(856) 227-4100, X4304

MINUTES
Thursday, May 14, 2015
HH LMC Office, 5:00 p.m. to 5:45 p.m.

Members Present: Mary Baratta, Jill Dawson, Dawn Leary, William Murray

1. The committee asked if we could recommend the following to the Board and TC for consideration:
 - It is recommended by the committee that the vinyl signage (6' X 20') for the Green Ribbon School be hung on the Jarvis Road Fencing.
 - It is recommended by the committee that permanent lettering be purchased for the front of the building similar to Mainland:
 - a. U.S. DEPARTMENT OF EDUCATION GREEN RIBBON SCHOOL
2. With regard to the upcoming Diversity Job Fair, could the District reach out to the Camden and Gloucester City educational programs to remind their employees of the fair (due to recent layoffs)? Mrs. Baratta shared the efforts already made to reach out to the surrounding county Districts and will check in with the Supervisor of Personnel to see if further efforts could be made in light of recent proceedings in those Districts.
3. With regard to upcoming school year and sharing information throughout the student body, discussion ensued regarding use of electronics and Wifi by students; What are other Districts already allowing? Should we have a "Technology Day" to celebrate all types of electronics as students may not have exposure to all types (i.e. iPads, chrome books, smartphones, etc.)? This is a topic for a different forum. Mrs. Baratta will share with administrative team.
4. With upcoming Memorial Day Ceremonies at Triton, Mrs. Baratta will check in with Triton's Principal to see how publicized the "Site" is as a veteran's memorial site in the Country.

With nothing further, I respectfully submit the minutes of the meeting.

Mary Baratta
