## Shared Services Committee

1. Shared Services Memorandum of Understanding between BHPKSD and Camden County College for Emergency Management and our S.T.E.A.M. (integration of Science, Technology, Engineering, Art and Mathematics) Academy.
2. Shared Services Agreement between BHPKSD and Gloucester Township Municipality for use of paving materials and services in preparation of correcting potholes. Additional Triton potholes will be repaired.
3. Shared Services Agreement between BHPKSD and Runnemede for cafeteria services. Continues to be successful and well received.
4. Shared Services related to HIF.
5. Bellmawr School District & Runnemede School District maintenance work. Bellmawr was provided quotes for electrical work, both inside and outside electrical work. We believe Bellmawr School District is going to request an outside lighting partnership with BHPKSD.
6. Shared Services Agreement between BHPKSD and Camden County Soil Conservation District – Rain Garden at Highland.
7. Shared Services Agreement under review with the Gloucester Township Housing Authority. Complex near Lakeland for Seniors and they want to have our maintenance and custodial department to do landscaping, snow removal, electrical work, maintenance work, concrete work, and custodial work. We figured a monthly service fee for preventative maintenance and landscaping work and then a time plus materials quote for all of the other work. If accepted, this work would be performed on an over time basis, and the school district would charge a 15% fee on services performed.
