## R 2412 HOME INSTRUCTION DUE TO HEALTH CONDITION

The Board of Education shall will provide instructional services to an enrolled student pupil whether a general education student pupil in Kindergarten through grade twelve or special education student pupil age three to twenty-one, at the pupil's home or another suitable out of school setting such as a hospital or rehabilitation program when the student pupil is confined to the home or another out-of-school setting due to a temporary or chronic health condition or has a need for treatment that which precludes participation in their usual education setting, whether general education or special education.

### A. Request For Home Instruction Due To A Temporary or Chronic Health Condition

1. The parent(s) or legal guardian(s) shall submit a request to the Director of School Counseling that includes a written determination from the student's pupil's physician documenting the projected need for confinement at the student's pupil's residence or other treatment setting for more than ten consecutive school days or twenty fifteen cumulative school days or more during the school year.
2. The Director of School Counseling shall forward the written determination to the school physician, who shall review the written determination and verify the need for home instruction. The school physician may contact the student's pupil's physician to secure additional information concerning the student's pupil's diagnosis or need for treatment, and shall either verify the need for home instruction or shall provide reasons for denial to the Director of School Counseling.
3. The Director of School Counseling shall notify the parent(s) or legal guardian(s) concerning the school physician's verification or reasons for denial within five school days after receipt of the written determination by the student's pupil's physician.
