Please explain in detail how this will benefit the students: The Dream Team Club will be a safe and inclusive environment for all of our student body. It will be an opportunity for younger students to meet some of our upperclassmen and to be able to find common ground. It will be a fun, friendly, and light-hearted environment where students can share their love of positive school culture. The Dream Team Club will have a monthly theme where we will showcase films and characters related to that theme.
