FY 2018-19 ESEA/NCLB Title I A

Title IA Selection Criteria for Black Horse Pike Regional School District

A) Describe the criteria used to select students for targeted assistance programs.

Students are selected based on their performance on the, STAR Test, the PARCC, PSAT, and/or the student's performance in his/her mathematics and/or language arts literacy classes. If the students did not demonstrate proficiency in Language Arts or Mathematics, then they are encouraged to participate in our extended day and/or school year programs.

B) Describe exit criteria.

If a student has since taken the PARCC or PSAT and has achieved the 'concordant' cut scores in both Math and Language Arts, or the student has since excelled in mathematics or language arts literacy classes, they can choose not to participate in our programs. However, if the students wish to continue because of the success they have achieved, we will not deny them services.
