Ryan Sharp, a student from the Black Horse Pike Regional Public School District will enter Daytop NJ on 1/14/19 and will receive educational instruction in the Daytop NJ Academy which is a licensed special education school providing both special and regular education. The course work focuses on core academic areas meeting all state education requirements. Daytop NJ requires and maintains Teachers' Criminal History Review (CHR) approval letters. The district agrees to accept these CHR letters on file at the Daytop NJ facility in Mendham.

The District will pay \$120 per day for the 2018-2019 School Year. The District agrees to abide by the Daytop NJ School calendar which is based on 180 days, which may not have the same holidays, vacation days, start time in September or ending date in June as the sending District. Our school year begins on September 10, 2018 and ends on June 14, 2019. Our calendar is attached.

In view that the home instruction law has changed from an hour requirement to: "The teacher shall provide instruction for the number of days and length of time sufficient to continue the student's academic progress and dependent on the student's ability to participate." NJAC 6A:16-10.2. " We interpret this to mean that if a student can continue to participate for the full 4.6 hour school day, then we are and have been providing that. To equate this to the old way we billed - it would be the same as \$60 x 2 hours a day for a total of \$120. In that Daytop has always provided students with 4.6 hours of educational instruction per day that per hour equivalents for the full day of schooling is now approximately \$26.09 per hour (\$120/4.6)

If invoices are not paid after 90 days based on the invoice date, 1% interest on the balance owed will be charged. **All purchase orders, correspondence and payments go to Daytop Village of New Jersey, Attn: J. Sosely, PO Box 310, Mendham, NJ 07945**
