As a parent of a student in the Black Horse Pike Regional School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you ask for it.

All of our teachers and para-professionals are highly qualified to teach and provide services in the discipline or area in which they are placed. However, if you would like to know more specifics, please read below.

Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether New Jersey has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether New Jersey has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please call Mariellen Habina at 856-227-4106.

With sincere thanks,

Matthew Szuchy
