Dear Parent or Guardian,

Our district provides an English Language Learning (ELL) program for students who need instruction in English as a Second Language (ESL). This program is at Triton High School. Based on a review of your child's academic records and our assessment of your child's English language skills, it has been determined that he/she is eligible for ELL/ESL.

The ELL program offers a curriculum designed to teach students listening, speaking, reading and writing skills necessary for success in school.

Although this program may benefit your student's academic success, you, as a parent or guardian, have the right to decline these services being offered to your child. Participation in this program will help your child succeed in school. It must be understood that your child's academic progress may be limited should you decide against participation in this program.

If you do not wish your child to participate in this program, your signature on this document will reflect that your child is eligible for the program, that the benefits of the program have been clearly explained to you, and that you are declining these services. Please sign and return this letter to Mr. Francisco Olaya, Director of School Counseling at Triton Region High School at 250 Schubert Avenue, Runnemede N.J. 08078 and please contact Mr. Olaya at (856) 939-4500 to notify him of your intention to refuse services.
