

# **Proposal to Establish Science National Honor Society**

Submitted by: Jennifer Gramble

## **Advisor(s) TO BE DETERMINED**

### **Justification**

In this era of rapidly changing technologies and scientific advancement, it is time to encourage and recognize high school students in the Sciences.

### **Details**

How often and/or when will this club meet? **4-6 times/year**

How many members do you estimate will participate? **All members who meet the requirements for induction. It will vary year to year**

Are there costs involved? If so, how will these costs be funded? **There is cost involved for induction ceremony (Food and Pins) and cords for graduation. The first year the science department will be covering cost and then fundraising after that.**

Which School(s)? All Three

**Please explain in detail how this will benefit the student's** This will allow students who excel in science to be recognized. It will also be beneficial on college applications and once a student is a member, they are eligible to apply for a scholarship from Science NHS.

#### **Additional Information:**

Information about Science NHS with can be found here: <http://www.sciencenhs.org/>
