 - b. The employee's exclusion from school by the school district's medical authorities on account of a contagious disease, or
 - c. The employee's having been quarantined for a contagious disease in his/her immediate household.

 - a. Has engaged in or prepared for gainful employment with an employer other than the Board,
 - b. Has participated in a concerted work stoppage, or
 - c. Has engaged in any activity, vocational or avocational, that clearly refutes the employee's claim of disability or quarantine.

SICK LEAVE

4. An employee who becomes disabled during the school day must so inform the Principal as promptly as possible and request permission to leave the school premises.
5. In all instances, the employee himself/herself should call the Principal to report sick leave. An agent may be appointed to call in sick leave only when the employee is so incapacitated as to make a personal call inadvisable or impossible.

C. Sick Leave Charges

1. A sick leave absence commences when the absence is called in pursuant to paragraph B.
2. A sick leave day once commenced may be reinstated as a working day only with the approval of the Principal.
3. An employee absent on sick leave on a day when the school is closed early for emergency reasons will be charged with a full sick leave day.
4. An employee scheduled for a sick leave absence on a day on which the schools do not open because of an emergency (such as a snow day) will not be charged with a sick leave day.

D. Verification of Sick Leave

1. An employee absent for reasons of disability of four or more consecutive working days shall submit the signed statement of his/her physician indicating:
 - a. The reason for the employee's absence, as personally known to the physician; and
 - b. If the employee is not immediately returning to work, the anticipated duration of the employee's disability.
2. The Board may, at its discretion, require the employee to submit to examination by the school medical inspector or a physician designated by the school medical inspector.
3. If the results of the examination conducted pursuant to paragraph D2 are inconsistent with the statement of the employee's physician, the two examining physicians shall agree in good faith on a third physician, who shall examine the

employee and whose medical opinion shall be conclusive and binding as to the employee's disability on days claimed for sick leave.

E. Readmission After Disability

1. An employee who wishes to return to work after sick leave of four or more consecutive working days shall submit the signed statement of his/her physician indicating the employee's fitness to perform his/her duties.
2. The Board may, at its discretion, require the employee to submit to examination by the school medical inspector or a physician designated by the school medical inspector.
3. If the results of the examination conducted pursuant to paragraph E2 are inconsistent with the statement of the employee's physician, the two examining physicians shall agree in good faith on a third physician, who shall examine the employee and whose medical opinion shall be conclusive and binding as to the employee's fitness to return to service.

F. Exhaustion of Sick Leave

1. The Pay Roll Officer will monitor each employee's sick leave bank and charge the employee's bank of accumulated sick leave with sick leave days in accordance with Policy No. 3432 and this regulation.
2. When it is apparent that an employee on extended sick leave will utilize the last sick leave day to which he/she is entitled within three working days, the Pay Roll Officer will so inform the employee by written notice. The notice will include a statement of the employee's right to request the Board for an extension of sick leave.
3. A request for the extension of sick leave should be submitted to the Principal at least thirty working days in advance of the next Board meeting. The request must be accompanied by a physician's signed statement setting forth the nature and anticipated duration of the employee's disability.
4. An employee who anticipates an extended period of disability may apply to the Board for a disability leave of absence pursuant to Policy No. 3431.

SICK LEAVE

5. Employees are reminded that sick leave extensions and disability leaves of absence are not entitlements and will be granted or denied by the Board on a case by case basis.
6. Employees will receive no compensation or benefits during an unpaid leave of absence, except the continuation of health insurance coverage for which the employee must recompense the district.

G. Accumulation of Sick Leave

1. Sick leave will be charged, first, to the sick leave newly available in the employee's current contract year and, when that sick leave entitlement is exhausted, to the employee's bank of accumulated sick leave.
2. At the beginning of each contract year, all days of sick leave newly available but unused in the prior contract year will be carried forward and credited to a full-time employee's bank of sick leave.
3. The unused sick leave of part-time employees will be accumulated on the basis of hours of work rather than days of work.
 - a. At the close of each school year, the number of sick leave days not used by a part-time employee will be multiplied by the number of hours the employee worked in each day or, if the employee worked irregular hours, the average number of hours in each contract day.
 - b. At the beginning of the following school year, the total number of hours accumulated will be divided by the number of hours, or average number of hours, to be worked in each contract day. The result constitutes the number of accrued sick leave days the employee may claim when he/she has exhausted the sick leave days available in the current contract year.
 - c. When a part-time employee, continuously employed in the district, is employed full-time, his/her accumulated sick leave hours will be divided by the number of hours in a full working day, and the dividend will be multiplied by the number of days he/she worked each week as a part-time employee. The product will be divided by five, the number of days in a full-time week. The resulting number, rounded up to the next full day, represents the number of accrued sick leave days in the employee's sick leave bank.
