Dear Ms. Grubb

Re: Your Software Support Contract is at the end of its current term. You can renew this agreement for the same term and service specified in the attached Schedule if you choose.

Please review the attached schedule to be sure our records agree. If our records are consistent, please forward your purchase order to CSI with a signed copy of this letter. A second copy of this letter is included for your own records.

If you do not agree with the attached schedule or need to make changes on the service detailed, please call us. We will revise the schedule accordingly and return it to you immediately

Please assign a Primary and Secondary Contact for software support.

In order to better serve your district, our Software Support Department is requesting an assigned Primary and Secondary Contact for support calls. While CSI will attempt to return all calls from employees in your district, Primary and Secondary Contacts will have priority.

District's primary contact is

District's secondary

Protecting CSI's SMARTS Financial Software

Announcing our new partnership with Carbonite™ brand of off site data back up products.

In the event of data loss, it is essential for that data to be restored – and quickly. Carbonite is completely compatible with CSI's Financial Software, allowing your office access to the data via an installed dashboard, while also allowing CSI remote access to your databases to provide a complete restore to either an alternate district server or to a resident server at CSI, Branchburg.

We are pleased to offer the following benefits with our new Off Site Data Back Up Services:

- 250 GB of Cloud capacity
- Multiple servers
- No interruption of service – CSI Financial Software backs up continuously
- Expanded back up service – can now include other district servers, including MS Exchange
- Complete data security – HIPPA Compliant
- Quick and easy installation completed by CSI

This service can be provided for \$120 a month with your minimum 12 month commitment.
