BOARD OF EDUCATION CONTRACT TRANSFER AGREEMENT

This agreement made between the Gloucester Township Board of Education

(hereinafter referred to as the transferor), in the County of Camden and the

Black Horse Pike Regional Board of Education (hereinafter referred to as transferee)

in the County of Camden.

Whereas, the transferor has entered into or intends to enter into an agreement with the transferee which would assign to the transferee all of the transferor's rights and liabilities with respect to the transportation contract(s) for the route/contract number(s) (see attached) from the transferor to the transferee.

And whereas, such assignment requires the approval of both Boards of Education and the Executive County Superintendent(s) of Schools.

And whereas, the transferor is willing to permit this assignment provided the transferee becomes obligated under the identical terms and conditions as those currently in effect.

Now, therefore, it is agreed that:

The Gloucester Township Board of Education is released from all liability and responsibility associated with the contracts assigned by this agreement; and

the Black Horse Pike Regional Board of Education promises and agrees to continue, for the term of the contract(s), to transport students and assume all financial responsibility to the transportation contractor(s) holding the contract(s) assigned by this agreement.

It is also agreed that the renewal of the existing contract(s) be made at the discretion of the transferee.
