**Re: Black Horse Pike Regional School District
Highland High School Parking Lot
Our File #04-BH-C-007**

Dear Mr. Rizzo:

We have reviewed the bids received on Thursday, May 18, 2023, with reference to the above captioned project. American Asphalt's bid failed to list an electrical subcontractor making their bid non-responsive. The responsive bids received were above the district's appropriated funds and engineer's estimate. We recommend rejection and re-advertisement for more competitive bidding. A copy of the Bid Memo is attached for your review.

Therefore, in accordance with the Local School Public Contracts Law, N.J.S.A. 18A:18A et seq, the bid should be rejected. The rejection should be contingent upon approval of your solicitor.

Sincerely yours,

REMINGTON & VERNICK ENGINEERS, INC.

Andrew N. Yoder, P.E.
