A. **Prohibiting Harassment, Intimidation, or Bullying** ~~Policy Statement~~

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. **The Board has determined that a** ~~A~~ safe and civil environment in school is necessary for students to learn and achieve high academic standards; ~~h~~ ~~Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Harassment, intimidation, or bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance.~~ Since students learn by example, school administrators, faculty, staff, and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s); adoptive parent(s); legal guardian(s); **resource family** ~~foster~~ parent(s); or parent surrogate(s) of a student. When parents are separated or divorced, "parent" means the

person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

Harassment, Intimidation, ~~or~~ ~~and~~ Bullying

The Board recognizes that bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Recognizing “a real or perceived power imbalance” may assist school officials in identifying harassment, intimidation, or bullying within the context and relative positions of the alleged aggressor and target.

“Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone, computer, or remotely activating paging device (N.J.A.C. 6A:16-1.3).

In accordance with the Board of Education’s Code of Student Conduct and this Policy, all acts of harassment, intimidation, or bullying that occur off school grounds, such as “cyber-bullying” (e.g., the use of electronic means to harass, intimidate, or bully) is addressed in this Policy.

~~Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).~~

~~“Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager.~~

C. Student ~~Expectations~~ **Behavior**

The Board **of Education** expects students to conduct themselves in keeping with their levels of development, maturity, and demonstrated capabilities, with **a** proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment, consistent with the Code of Student Conduct.

Harassment, Intimidation, **or** ~~and~~ Bullying

The Board believes that standards for student behavior must be set cooperatively through interaction among the ~~students,~~ **students of the school district,** parents **and other community representatives,** school **administrators** ~~employees,~~ school **employees** ~~administrators,~~ **and** school volunteers, ~~and community representatives~~ producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and **that** it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities **for helping** ~~to help~~ students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects ~~that~~ students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, **or** ~~and~~ bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property, and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

D. Consequences and ~~Appropriate~~ Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct, **and the consequences and remedial responses for staff members who commit one or more acts of harassment, intimidation, or bullying.**

Consequences and appropriate remedial actions for a student or staff member who commits one or more acts of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion of students, as set forth in the Board's approved Code of Student Conduct, pursuant to N.J.A.C. 6A:16-7.1.

The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by students.

Consequences — Students

Consequences for a student who commits one or more acts of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion of students, as set forth in the Board's approved Code of Student Conduct pursuant to N.J.A.C. 6A:16-7.1. Consequences for a student who commits an act of harassment, intimidation, or bullying are those that are varied and graded according to the nature of the behavior; the nature of the student's disability, if any, and to the extent relevant; the developmental age of the student; and the student's history of problem behaviors and performance consistent with the Board's approved Code of Student Conduct and N.J.A.C. 6A:16-7, Student Conduct. The use of negative consequences should occur in conjunction with remediation and not be relied upon as the sole intervention approach.

Factors for Determining Consequences — Student Considerations

1. Age, developmental and maturity levels of the parties involved and their relationship to the school district;
2. Degrees of harm;

If it is the third or subsequent act of harassment, intimidation, or bullying by a student, **T**he Principal, in consultation with appropriate school staff, shall develop an individual student intervention plan **when a student is found to be an offender in three harassment, intimidation, or bullying incidents and each subsequent incident occurring within one school year. ~~A person may report, verbally or in writing, an act of harassment, intimidation, or bullying committed by an adult or youth against a student anonymously. The Board will not take formal disciplinary action based solely on the anonymous report. The district shall provide a means for a parent to complete an online numbered form developed by the New Jersey Department of Education to confidentially report an incident of harassment, intimidation, or bullying.~~

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

The Principal shall promptly submit a copy of each completed HIB 338 Form to the Superintendent.

~~In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.~~

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, **in addition to making the HIB 338 Form available online**, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, ~~or~~ ~~and~~ bullying **or who determines a reported incident or complaint, assuming all facts presented are true, is a report within the scope of N.J.S.A. 18A:37-14** ~~from a district employee,~~ and fails to initiate or conduct an investigation, or who should have known of an incident of

A parent may request a hearing before the Board after receiving the information. Any request by the parents for a hearing before the Board concerning the written information about a harassment, intimidation, or bullying investigation, pursuant to N.J.S.A.

Principal's Preliminary Determination

Prior to initiating an investigation regarding a reported incident or complaint, the Principal or designee, in consultation with the anti-bullying specialist, shall make a preliminary determination as to whether a reported incident or complaint, assuming all facts are presented as true, is a report within the scope of N.J.S.A. 18A:37-14.

Should the Principal or designee, in consultation with the anti-bullying specialist, determine that a reported incident or complaint, assuming all facts presented are true, is not a report within the scope of N.J.S.A. 18A:37-14, the incident will be addressed through the Board's Code of Student Conduct policy. The HIB 338 Form shall be completed, even if a preliminary determination is made not to conduct an investigation of harassment, intimidation, or bullying because the reported incident or complaint is a report outside the scope of the definition of harassment, intimidation, or bullying, and must be submitted to the Superintendent. The Principal will provide the parents of the alleged offender(s) and victim(s) with formal notice of the decision not to initiate a harassment, intimidation, or bullying investigation.

The HIB 338 Form shall be kept on file at the school and will only be added to a student record if the alleged incident is founded, disciplinary action is imposed or is otherwise required to be contained in a student's record under State or Federal law.

The Superintendent may require the Principal to conduct a harassment, intimidation, or bullying investigation of the incident if the Superintendent determines that the incident is within the scope of harassment, intimidation, or bullying and shall notify the Principal of

this determination in writing. Should the Superintendent require the Principal to conduct a harassment, intimidation, or bullying investigation, the Principal will immediately initiate an investigation of harassment, intimidation, or bullying by referring the matter to the school anti-bullying specialist.

Additionally, any preliminary determination that finds the incident or complaint is a report outside the scope of N.J.S.A. 18A:37-14 may be appealed to the Board, pursuant to the Board policies and procedures governing student grievances, and thereafter to the Commissioner (N.J.A.C. 6A:16-7.7(a)ix(1) and (a)ix(1)(A)). Should the preliminary determination not to conduct an investigation of harassment, intimidation, or bullying be overturned, the Principal will immediately initiate an investigation of harassment, intimidation, or bullying by referring the matter to the school anti-bullying specialist.

The Board requires a thorough and complete investigation to be conducted for each reported incident or complaint, assuming all facts presented are true, that is determined to be a report within the scope of N.J.S.A. 18A:37-14. The investigation shall be initiated by the Principal or designee within one school day of the verbal report of the incident. The investigation shall be conducted by the school anti-bullying specialist appointed by the Principal. The Principal may appoint additional personnel who are not school anti-bullying specialists to assist the school anti-bullying specialist in the investigation. Investigations of complaints concerning adult conduct shall not be investigated by a member of the same bargaining unit as the individual who is the subject of the investigation. The anti-bullying specialist may not participate in an investigation regarding their supervisor or staff at a higher administrative level.

The investigation shall be completed, and the written findings submitted to the Principal as soon as possible, but not later than ten school days from the date of the written report of the alleged incident of harassment, intimidation, or bullying or ten school days from the date of the written notification from the Superintendent to the Principal to initiate an investigation. Should information regarding the reported incident and the investigation be received after the end of the ten-day period, the school anti-bullying specialist or the Principal shall amend the original report of the results of the investigation to

The Principal shall proceed in accordance with the Code of Student Conduct, as appropriate, based on the investigation findings. The Principal shall submit the report to the Superintendent within two school days of the completion of the investigation and in accordance with the Administrative Procedures Act (N.J.S.A. 52:14B-1 et seq.). As appropriate to the findings from the investigation, the Superintendent shall ensure the Code of Student Conduct has been implemented and provide intervention services, order counseling, establish training programs to reduce harassment, intimidation, or bullying and enhance school climate, or take or recommend other appropriate action, including seeking further information as necessary.

The Superintendent shall report the results of each investigation to the Board no later than the date of the regularly scheduled Board meeting following the completion of the investigation. The Superintendent's report also shall include information on any consequences imposed under the Code of Student Conduct, intervention services provided, counseling ordered, training established or other action taken or recommended by the Superintendent.

Parents of the students who are parties to the investigation shall be provided with information about the investigation, in accordance with Federal and State law and regulation. The information to be provided to parents includes the nature of the investigation, whether the district found evidence of harassment, intimidation, or bullying, or whether consequences were imposed or services provided to address the incident of harassment, intimidation, or bullying. This information shall be provided in writing within five school days after the results of the investigation are reported to the Board.

A parent may request a hearing before the Board after receiving the information. The Board shall conduct the hearing in executive session, pursuant to the Open Public Meetings Act (N.J.S.A. 10:4-1 et seq.), to protect the confidentiality of the students. At the hearing, the Board may hear testimony from and consider information provided by the school anti-bullying specialist and others, as appropriate, regarding the alleged incident; the findings from the investigation of the alleged incident; recommendations for consequences or services; and any programs instituted to reduce such incidents, prior to rendering a determination.

At the regularly scheduled Board meeting following its receipt of the report or following a hearing in executive session, the Board shall issue a decision, in writing, to affirm, reject, or modify the Superintendent's decision. The Board's decision may be appealed to the Commissioner of Education, in accordance with N.J.A.C. 6A:3, no later than ninety days after the issuance of the Board's decision.

A school administrator who receives a report of harassment, intimidation, or bullying and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action.

The Board also requires the thorough investigation of complaints or reports of harassment, intimidation, or bullying, occurring on district school buses, at school-sponsored functions, and off school grounds involving a student who attends an approved private school for students with disabilities. The investigation will be conducted by the Board's anti-bullying specialist in consultation with the approved private school for students with disabilities.]

In considering whether a response beyond the individual is appropriate, school officials shall consider the nature and circumstances of the act; the degree of harm; the nature and severity of the behavior; past incidences or past or continuing patterns of behavior; and the context in which the alleged incident(s) occurred. Institutional (i.e., classroom, school building, school district) responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based harassment, intimidation, or bullying prevention program models, to training for certificated and non-certificated staff, to participation of parents and other community members and organizations, to small or large group presentations for fully addressing the actions and the school's response to the actions, in the context of the acceptable student and staff member behavior and the consequences of such actions, and to the involvement of law enforcement officers, including safe schools resource officers.

This Policy and the Code of Student Conduct shall apply to instances when a school employee is made aware of alleged harassment, intimidation, or bullying occurring off school grounds.

For every incident of harassment, intimidation, or bullying, the school officials must respond appropriately to the individual who committed the act. The range of responses to confirmed harassment, intimidation, or bullying acts should include individual, classroom, school, or district responses, as appropriate to the findings from each incident. Examples of responses that apply to each of these categories are provided below:
