Option 2... Transition to College at Camden County College

Presented by Ricardo Camacho and Joseph Miloszewski

- *Ricardo and Joe explained how the Transition to College works.*
 - *For those students who may be discipline problems*
 - *For those who have difficulty in the high school setting*
 - *For those who need OMC... "One more Chance".*
- *Schools in participation were mentioned... Overbrook, Deptford, Winslow*
 - *Mostly 11 & 12 grade*
- *Cost: \$8,000 per year, with summer school included*
- *Application process was explained*
- *Certified and fingerprinted teachers and one aid are in the room*
- *MWF: English and Social Studies, T&R: Math and Science*
- *Ability to walk in graduation is up to the school district.*
- *Parent orientation meetings are in August*
- *If there is a fight in the room, the students are disciplined by suspensions.*

- *Issues that were brought up that need to be answered... We have Safety in mind first and foremost... then curriculum.*
 - *What liability does the school district have if students drive themselves to the college? Does the college insure the safety of our students, or is there still some liability for the district.*
 - *College students who are working in the classroom... are they back-ground checked and fingerprinted if they are working with our students?*
- *Will follow up with the college once the questions above are answered.*
