3221 EVALUATION OF NONTENURED TEACHING STAFF MEMBERS (M)

The Board of Education recognizes the importance of implementing a program for the evaluation of nontenured teaching staff members in accordance with law for the purposes of identifying and correcting deficiencies, improving professional competence, improving the quality of instruction received by pupils of this district, and assisting the Board in determining the member's reemployment.

The program of evaluation of nontenured teaching staff members shall include the observation and evaluation of each such employee in the performance of his or her duties by an appropriate supervisor no fewer than three times during each school year, but not less than once during each semester. Evaluations are to take place before April 30 of each year. The evaluations may cover that period between April 30 of one year and April 30 of the succeeding year except in the case of the first year of employment where the three evaluations must be completed prior to April 30. The number of required observations and evaluations may be reduced proportionately when an individual teaching staff member's term of service is less than one academic year. Each evaluation shall be followed by a conference between the teaching staff member and his or her superior or supervisor(s). The purpose of the observation and evaluation of nontenured teaching staff members shall be to improve professional competence, identify deficiencies, extend assistance for the correction of such deficiencies, provide a basis for recommendations regarding reemployment, and improve the quality of instruction received by the pupils served by the school(s) in the district.

Supervisors shall make every effort to assist nontenured teaching staff members in the remediation of deficiencies disclosed by observation and evaluation and may conduct additional observations and evaluations. Supervisors should recognize the purposes of this policy cannot be realized by evaluations that do not record the weaknesses as well as the strengths of teaching staff members. Assessments that are less than honest and candid serve neither the professional growth of the employee nor the interest of the district in building a staff of highly competent, well-trained personnel.

This Policy shall be distributed to each teaching staff member at the beginning of his or her employment.
