ARRIVED AT 6:05 - Mrs. Pat Wilson

On the motion of Dr. Mark Schmitz, seconded by Mr. Lou Johnston the Executive Session was called to order at 6:01 pm.

Dr. Repici presented the following items:

1. Personnel –
 - a. ██████████ threatened suicide and the police were contacted. ██████ will be on administrative leave until cleared by a medical doctor.
 - b. A Timber Creek teacher inappropriately texted a recent 17 year old graduate. Mr. Wade discussed details of the situation. Additional questions by the Board were answered by Mr. Wade and/or Dr. Repici.
2. Superintendent and Board Goals
 - a. Dr. Repici reviewed the Superintendent and Board goals for the upcoming school year. Discussion and questions ensued.
3. Legal Matters
 - a. County Office has suggested that we pay for summer education for regular education students. Mr. Cappuccio explained the details of the problem. Contracts have been amended so as not to include summer pay, lower bedside hourly rate, and year round educational support. We cannot use the summer grades that are earned, as we do not have summer programs.
 - b. Runnemede Council is still interested in deeding the small tract of land to Black Horse Pike Regional that is situated near Triton High School, in the back near the football field. We need to obtain the deed and have a title search to be certain it is a clear deed.

On the motion of Dr. Mark Schmitz, seconded by Mrs. Pat Wilson, the Board of Education adjourned from Executive Session at 6:59 pm.

Respectfully submitted,

Jean Grubb
Business Administrator/Board Secretary
