

## Timber Creek Facilities Walk

August 26, 2016

Attending: Brian Wasilewski, Bill Murray, Dawn Leary,  
Jay McMullin, Anthony Tarsatana, Joe Newsham

1. Building Interior: Building was very clean in preparation for the beginning of the school year. Nearly all summer work was completed.
2. Building Exterior: The entrance slab is in need of power washing and spider webs were noticed near entrance doors. Board members looked at the new exterior bathroom still being installed. The new turf management program was discussed and supported. Brian mentioned the desire to extend deeper his wells for the sprinkler system.
3. Repairs: There were no visible repairs needed.
4. Areas Identified as Concerns: The track is visibly worn and is in need of replacement in the near term.
5. Personnel: The group discussed weekend coverage and weekday shifts. The foreman and Mr. Tarsatana will be meeting in September to discuss all shift work.
