### HATE BIAS CRIMES AND BIAS-RELATED ACTS (M)

#### D. Nature of Referral

- ~~1. The mandatory referral for suspected or committed hate crimes and the presumptive referral for suspected or committed bias related acts as described in the regulation is only a request to the law enforcement agencies to conduct an investigation and is nothing more than the transmittal of information which may be pertinent to any such law enforcement investigation.~~
- ~~2. Any referral in accordance with this regulation is not an accusation or formal charge.~~
- ~~3. Any referral pursuant to this regulation is predicated on the basis of reasonable suspicion, which is less than probable cause, less than the proof sufficient to sustain an adjudication of delinquency or a finding of guilt in a court of law and less than the proof sufficient to justify the imposition of school discipline.~~
- ~~4. All doubts by school officials should be resolved in favor of referring a matter to the local police department or the county prosecutor's office.~~

#### E. Concurrent Jurisdiction

- ~~1. Unless the local police department or the county prosecutor's office request otherwise, the school district may continue to investigate a suspected hate crime or bias related act occurring on school property and may take such actions as necessary and appropriate to redress and remediate any such acts.~~
- ~~2. The school officials will discontinue the in-school investigation if the local police department or the county prosecutor's office believe the school investigation could jeopardize an on-going law enforcement investigation or otherwise endanger the public safety.~~

#### F. Preservation of Evidence

- ~~1. School officials will secure and preserve any such graffiti or other evidence of a suspected hate crime or bias related act pending the arrival of the local police department or the county prosecutor's office.~~

- ~~2. The school officials, when feasible, will cover or conceal such evidence until the arrival of the local police department or county prosecutor's office in a manner designed to minimize the harm and continued exposure to pupils by such evidence, but that will not permanently damage or destroy such evidence or otherwise limit its utility in an ongoing investigation or prosecution.~~
- ~~3. The local police department and/or the county prosecutor's office will photograph or otherwise document the location and content of any such graffiti or other bias-based evidence as soon as possible, so that the graffiti or other evidence may be removed or eliminated at the school district's earliest opportunity.~~
