CLUBS AND ACTIVITIES

LEO CLUB Membership was 50 students strong this year and was stable for the entire year. Members volunteered at the Blackwood Pumpkin Festival in October. Two American Red Cross blood drives were held in October and May, earning \$1,200 in scholarship money from the American Red Cross and its business partner this year, Bob's Discount Furniture. Members volunteered at the Battleship New Jersey on Thanksgiving Day greeting service men and women as they came onboard for Thanksgiving brunch. Students did prep work for the upcoming community gardens on the Martin Luther King Day of Service by volunteering at the Camden County's Sustainable Center at Lakeland Complex. The club also participated in the Promise Walk on Mother's Day weekend for the Preeclampsia Foundation, a serious health condition that threatens pregnant women and their unborn child. Members also participated in Gloucester Township Day by operating some of the game booths.

TRANSITION PROJECT Advisors Lauren Griffin and Suzanne Nordone led the way to another successful year. They are currently in their 9th year and continue to make an impact on the freshmen class. The Transition Project Program had a total of 137 upperclassmen (peer leaders) trained to work with the freshmen class. This year they welcomed 63 new juniors who were trained in September. Throughout the year, the peer leaders met once a month with a small group of freshmen during the freshmen gym periods. The leaders conducted lessons and activities centered around topics such as: Connections, Coping With Stress, Communication, Safety, Coping With Change, and Closure. They're looking forward to the 2015-2016 school year as they welcome 69 new peer leaders.

WORLD LANGUAGES CLUB This is a large club with over 50 students who want to learn about different cultures. Their first trip was to Philadelphia to see the Barnes Collection, where students gained insight into beautiful artwork, and afterwards, had a chance to prepare some French cuisine at The Melting Pot. Their next trip was to Washington, DC, where they took a tour of the Capitol, saw a variety of museums, and ate Mexican food at La Loma. The officers had a lovely dinner in El Sitio as a way to end the school year with something special. As a club, they participated in the inaugural Aim High 5K and donated canned foods to two churches and TC Cares. None of this would have been possible without all of the dedicated people in the club who participated in the fundraisers: Yankee Candle, Moe's, Chik-fil-A, Chipotle, and Marcos. Thank you to officers: Patrick Farrell, Julianne Oswald, Abby Kelley, Stephanie Sikander, Jessica Manigold, Anna Huynh, Julia Magee and Advisor Mrs. Alacqua.

HISTORY CLUB, under the direction of Mrs. Lauren Griffin, had a busy year full of activities involving the entire school and community. The following executive officers led the club: President Samuel Opawumi, Austin Ellis, Bridget Henderson, Rachel Meier, Rachael Mfon, and Josh Mott. The History Club organized various activities throughout the year such as the September 11th Ceremony, lobby displays for Veteran's Day and Women's History Month, and the student Talent Show. Club members ended the year with a field trip to Independence Hall in Philadelphia. They hope to raise the level of awareness of different historical events and themes for both Timber Creek students and staff. Through detailed planning, continuous student participation, and school-wide support, the History Club enjoyed an outstanding year.

THE GREEN TEAM The New Jersey Department of Education and the United States Department of Education named Timber Creek as a Green Ribbon School.

TC REWARD A POSITIVE STUDENT Miss Lauri initiated a new program at Timber Creek to reward students for positive behavior. A different theme was focused on each month for students to be nominated and recognized by their peers and teachers. The themes each month included being respectful, hard working, creative, school spirited, courageous, improved and considerate. The 28 R.A.P.S winners were all recognized at the Spotlight luncheon.

CLUBS AND ACTIVITIES

INSTRUMENTAL MUSIC The Timber Creek Music Department had another successful year! There were several students selected to be in the Olympic Conference Honors Band as well as the All South Jersey Honors Band. Timber Creek Instrumental and Vocal Music Programs hosted three concert events including the Winter Concert, Spring Concert, as well as the Festival of Arts Side-By-Side Concert with the Ann A. Mullen Middle School students. Congratulations to students who received the end of the year honors: John Phillip Sousa Award – **Lisa Harkisheimer**; Patrick S. Gilmore Award – **Anthony Trombetta**; Marching Band Award – **Allison Hughes**; and Most Improved Instrumental Musician – **Jaymes Hargrove**. **Lisa Harkisheimer** will be attending Rowan University next year where her eventual major will be Music Education.

JAZZ ENSEMBLE Auditions began the year for the Timber Creek Jazz Ensemble. After members were selected to play in the elite ensemble, rehearsals began and new music was introduced. The Jazz Ensemble had their first performance at the annual Winter Concert and also performed at the Festival of the Arts and Spring Concerts. In addition, the group performed for the school board and Timber Creek Eighth Grade Orientation Night. During the final performance for the year, student **Anthony Trombetta** was awarded the Louis Armstrong award for outstanding jazz performance. **Joshua Mott** was awarded the Woody Herman award for leadership and commitment to the Jazz Ensemble.

VOCAL ENSEMBLE (CHORALE) It was another busy year for the T.C. Vocal Ensemble. The group performed at the annual Winter Concert, Festival of the Arts, and Spring Concerts. In addition, the group performed at the Patriot Day Ceremony, sang at the N.H.S. Induction Ceremony, sang holiday carols through the halls of Timber Creek, and performed for the Eighth Grade Orientation Night. The group also had the pleasure of attending a workshop with the Berklee School of Music's vocal group, Pitch Slapped. Pitch Slapped is an international award winning A Capella group that has performed on N.B.C.'s, "The Sing Off," and has recently appeared on "America's Got Talent." Pitch Slapped also has a member that is a Timber Creek Alumnus. Students spent a Saturday afternoon working with members of Pitch Slapped and finished up the day with a side by side performance with members from Highland High School's vocal students. Next year, the group will attend a workshop in New York City with a cast member from the Broadway musical, "*Les Miserables*." The students will learn a song and a dance from the show and then have a question and answer session with the cast member. Later that day the group will see the musical and see the same song and dance that they had learned performed by the professionals on stage. The Vocal Ensemble will conclude the school year with a performance at Graduation Ceremony.

NATIONAL HONOR SOCIETY In December, the NHS inducted 91 new members (16 seniors and 75 juniors). Alumnus (Class of 2006), Dr. Peter Coyle, DPT was the keynote speaker for the Induction Ceremony. The Chapter provided peer tutoring at Timber Creek, Mullen Middle School, and aided ESL students from Union Valley Elementary School with homework. The NHS continued its relationship with D.O.T. (Dreams of Tomorrow) and provided community service for DOT's Martin Luther King Day of Service and the annual Greek Basketball fundraiser. Mr. Bobby Harris, chairman of DOT was grateful for NHS' provided services. NHS teamed up with Kaplan Testing Services to host a real SAT practice test in January. Approximately 90 students participated in this event. NHS members participated in the yearly balloon and carnation fundraiser. This year's Valentine's Day Blood Drive was a success. There were 53 eligible donors who saved approximately 159 lives. In March, NHS provided Breakfast with the Easter Bunny. Approximately 50 family members from the community came to this event. The Annual Italian Dinner was in May with live music, courtesy of Keith "King" Gipson. Mr. Gipson provided an Elvis Tribute Show. Two hundred and fifteen dinners were sold for the event.

SCIENCE CLUB **Jade Blackford-Wadhams** won first place in biochemistry at the Corriell Institute Science Fair and advanced to the Delaware Valley Science Fair.

YEARBOOK COMMITTEE Advisors Mr. Golembo, Mrs. Breier, and Mrs. Vittese along with **Tatiana Reynolds** and **Caitlin Burnite** organized photographs and delivery of the school yearbook. Morning Jolt also helped with this task.

PEOPLE'S CHOICE AWARDS On April 21st the 14th Annual People's Choice Awards were celebrated. This night allowed students to be recognized for excelling in and out of the classroom. A teacher, administrator or staff member selected the student to be nominated and revealed their nominee during the ceremony. This year there were seventy-seven students nominated and considered the "Stars of TC". Ms. Jessica Evans and Ms. Alyssa Sciscio joined together to make the night a success.
