SPOTLIGHT ON TRITON

Superstorm "Sandy" Relief

Triton Cheerleaders, along with the Class of 2016, collected non-perishable food, toiletries, bottled water, baby needs, etc., to donate to the victims of Superstorm Sandy. Their efforts are greatly appreciated.

TRITON'S MARCHING BAND

Brought home the Bronze Medal from the Tournament of Bands—Group IA Atlantic Coast Championship in Harrisburg, PA on 10/27/12. Twenty-one bands from nine states competed in this prestigious competition. Good job, band members!

Reflector Telescope

Science teacher, Jack Feighan, used Donors Choose to purchase a reflector telescope for his students. By providing the experience of using this tool, Mr. Feighan assists his students in connecting science to life. This type of exposure is key to keeping students enthusiastic about science. Congratulations, Mr. Feighan!

Triton's Annual Veterans Day Meet & Greet

sponsored by the BHPEA, Triton's Social Studies Department and the History Club, was held on Monday, November 5, 2012. We welcomed Veterans Joe Lee, David Studstill, Tony Halas, Bill Messner, Al Bancroft, Denise Pavan, Bill Millison, Fred Connelly, Andrew Jackson, Zachary Seaman, Stephen Perrone, Ray McBride, D.W. Janszky, Peter Farnicone, Jim Haufbauer, Tom McPherson, Tim Salamantin and Carl Legando. Everyone enjoyed meeting the veterans and listening to their stories.

RBG Rotary 5K Run/Walk

Triton High School hosted the Runnemedede/Bellmawr/Glendora Rotary's 5K Run/Walk on Saturday, 10/27/12. Our Interact students organized materials, worked stations on the run, and cheered on participants. Local businesses donated gift cards as prizes for this event. A healthy/good time was had by everyone.

**LEO CLUB**

Hurricane Sandy caused the cancellation of **American Red Cross** blood

drives up and down the East coast. The Penn-Jersey region, covering South Jersey, Delaware, and Eastern Pennsylvania lost a lot of scheduled blood drives from Monday and Tuesday.

The canceled blood drives meant the loss of 11,000 units of blood.

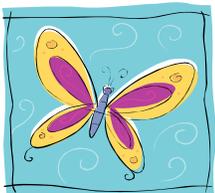

Timber Creek held its blood drive on October 31st with 107 students scheduled to donate. Of the students scheduled about 100 students checked in to donate, and 82 pints were collected.

These 82 pints have the potential of saving 249 people. The American Red Cross was extremely grateful because of all the canceled blood drives. Timber Creek's drive was a step toward rebuilding the blood supply levels.

**LEADERSHIP AWARD**

Widener University has awarded Senior Amal Oladuja the

2011 High School Leadership Award. One high school junior was chosen who exhibits strong leadership skills, academic excellence and exceptional character. Amal will receive a \$20,000 scholarship over four years if she enrolls as an undergraduate at Widener University. Congratulations!

**TRANSITION PROJECT—**

On Thursday, October 18th, 315 freshmen met with 142

upperclassmen during respective gym periods. The first "outreach" session was entitled "Activity Day" and was designed for the students to get to know each other. Names were given, ground rules were established and an ice breaker game was played. Every month throughout the school year the freshmen will be meeting with their peer leaders. We're looking forward to many more successful outreaches. Thanks to our maintenance staff for their set-up and clean-up and Guidance for all of their help with scheduling.

Playoff Mania

Girls' Soccer played their first -round contest early and scored a win. The No. 9 seed Chargers knocked off No. 8 Delsea, 3-1. Goals were scored by Jenny Mosley and Hayley DeFeo, and will face No. 1 Hammonton or No. 16. Winslow in the quarterfinals.

On the Boys' side, No. 4 seed TC easily advanced to the Group 3 quarterfinals with a 4-0 win over Westampton Tech. Gian Duclos, Trevor Hatton, Vincent Palmucci and Matt Wolf all scored, while Trevor Tierno made five saves for the shutout.
