September 10, 2021

To: All Caregivers, Parents, and Guardians

From: Brian Repici, Ed.D.

Superintendent

As I hope you are aware and as indicated in our Re-Opening of School Plan, the NJ Governor released Executive Order #251, which requires all students, staff, and visitors to be **masked** inside the school building. As an additional strategy to slow the spread of COVID-19 virus, we ask that you keep any child(ren) home and consult your health care provider if your child(ren) experience any of the following symptoms:

- New cough
- Shortness of breath
- Difficulty breathing
- Fever over 100.4°F
- Loss of taste and/or smell
- New loss of taste
- New loss of smell

We ask that parents keep their child(ren) home and consult your health care provider if your child(ren) have **TWO or MORE** of the following symptoms:

- Fever
- Chills
- Rigors (shivers)
- Myalgia (muscle aches)
- Headache
- Sore throat
- Nausea or Vomiting
- Diarrhea
- Fatigue
- Congestion or runny nose

We also ask that you keep your child home and consult your health care provider or the Department of Health if they were in close contact (15 minutes of cumulative contact in a 24-hour period) without wearing a mask with someone diagnosed with COVID-19, unless they are vaccinated and asymptomatic.

Lastly, the school nurses and schools will not be notifying all students and caregivers of a positive COVID-19 case in the school, on a team, or in a classroom, but only notifying those students and caregivers immediately impacted. We post all COVID-19 positive results and/or close contact cases on each schools' websites under the COVID-19 Dashboard, while maintaining confidentiality.

It is our hope and expectation that caregivers, parents, guardians, and students will do their part to help keep everyone safe. I thank you in advance.
