

## Class of 2020 Graduation Parade

Hello, Graduating Class of 2020. With the help of police departments, parents, fire departments, Black Horse Pike Regional School District Board of Education, and town mayors, we are hosting a parade in your honor to celebrate your accomplishments as you complete your high school education.

### **Dates (Rain or Shine):**

Highland = June 22

Timber Creek = June 23

Triton = June 24

### **When Does It Start:**

We will roll out of the respective High School Parking Lot at 6:30 p.m. sharp.

### **Where Do We Meet/Begin the Parade:**

All cars will be lined up on a first-come, first in line basis at each High School. We will start lining up cars at 6:00 pm, 30 minutes before 6:30 pm. You will drive slowly in the parking lot and obey directions of personnel in the parking lot. You may not exit your vehicle during this time. Everyone is to stay in the vehicle you arrived in. There will not be bathrooms at the school for your use.

At Highland, vehicles will be lined up in the G Corridor lot, between Erial Road and Blackwood Clementon Road and snake around to the Erial Road side and into the raised parking lot near the softball field. We will exit the parking lot making a right onto Blackwood-Clementon Road.

At Timber Creek, vehicles will be lined up following the student parking lot (auditorium side) and snake around the school, all the way past the football field and the tennis courts. Vehicles will exit the staff parking lot side making a right onto Jarvis Road towards Sicklerville Road.

At Triton, vehicles will be lined up behind Cappelli Courtyard and exit out of Oak Avenue.

This is a school-sponsored event during a pandemic, so the police departments and the school board have asked that you follow these expectations.

### **Rules will be enforced by Gloucester Township, Runnemedede, and Bellmawr Police Departments.**

1. Police Departments have determined the safest route to take. We will not be able to go past every house, apartment, neighborhood, or complex. That is why we are publishing the route in advance so people can choose to cheer you along the way. The police are

escorting us during this parade route, so make sure you are alert while driving your vehicle.

2. Social distancing of 6 feet between you and another person, not in your immediate family, will be enforced.
3. One vehicle per family is permitted. **If you or your family do not means of transportation, but would like to participate, please indicate so on the [survey](#).** We will try our best to get buses and bus drivers.
4. We prefer another licensed driver (adult), other than you, drive the car, if at all possible. We do not want you distracted by looking around during the parade.
5. You may not have more than two graduates in any one vehicle.
6. You may not jump from vehicle to vehicle. If police see you doing this, you will be pulled out and may face a fine for not following social distancing rules. Once you show up in a vehicle, you are to remain in that vehicle.
7. You may not take a convertible.
8. You must be in an enclosed vehicle. You may not take an ATV, motorcycle, or pick-up truck with chairs in the back.
9. You may not ride in the vehicle with your head and body through the sunroof/moonroof.
10. It is preferred, if possible with appropriate ventilation, that you keep your windows up. If you prefer to have your windows down, we prefer you have a face covering or mask of some sort.

#### **Things to consider:**

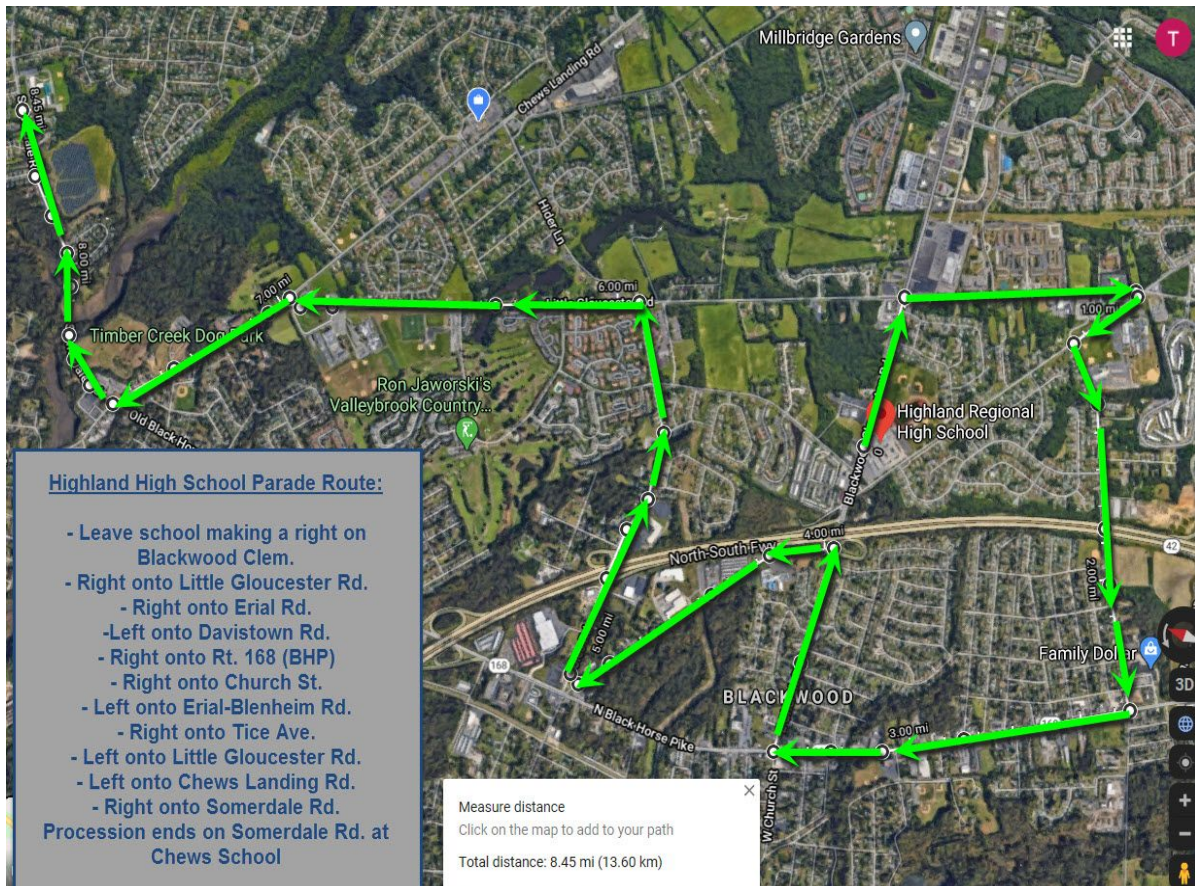

- You will receive streamers and window markers/paint when picking up your caps and gowns. You can choose to decorate your own vehicle if you want.
- This will be a lengthy parade, assuming many students participate, so make sure you go to the bathroom before leaving your house.
- This will be a lengthy parade, assuming many students participate, so make sure your vehicle has plenty of fuel and is in proper working order.
- Please adhere to the traffic routes, directions, and stoppages along the parade route.
- We will not return to the school at the end of the route.

**If you are going to participate, please indicate so on this [survey](#).**

The Parades' Routes By School are listed on the next page. Police will be escorting the procession so once you are in line, it should be simple to follow. We will provide directions once you line up at the school as well. Be safe.
