

Remote Learning Parent and Student Update

March 23, 2020

Week 2

Dear Parents and Students,

We are so very thankful of everyone's cooperation as we adjusted to remote learning last week. While we miss seeing all of the students, we are trying our best to engage each learner remotely as best we can given the circumstances. I am sure, like all of you, we are facing challenges like balancing work from home with parenting, learning, and providing a comforting environment in which to live our lives in this new paradigm. We are grateful that you are trying your best to help and learn from home.

Send Us Your Pictures

Please send us pictures of what remote learning looks like in your home. We will post the pictures on the school's web pages so that we can virtually celebrate all of the great work our students are doing. Please send your pictures to the following individuals:

Highland Regional High School: Ms. Kim Simon at ksimon@bhprsd.org

Triton Regional High School: Ms. Laura Greenwood at lgreenwood@bhprsd.org

Timber Creek Regional High School: Ms. Holly Bradley at hbradley@bhprsd.org

As we enter week 2 of remote learning, please know that we will continue to update you with information and to provide additional resources on our School District website, www.bhprsd.org, or via email.

Governor Murphy's Executive Orders #104 and #107

Executive orders #104 and #107 effectively closed schools in order to promote social distancing and thwart the effects of COVID-19. So long as those Executive Orders are in effect, schools will remain closed. Unfortunately, we have to limit contact even more since Order #107, so we are limiting essential personnel hours and limiting who has access to our schools.

District Webpage

Our District webpage, www.bhprsd.org, will continue to update the community and it includes information for students, parents, and a FAQ document. We have also posted updates on our Facebook page, <https://www.facebook.com/bhprsd/>.

Communication

Our teachers, counselors, child study team case managers, and school administrators are available each school day via email. Student attendance is being taken when students log into their Google Classrooms or respond as instructed by their teachers each day. Previous documents posted on-line on our webpage detail teacher and student expectations. If you have any questions, please do not hesitate to email your teachers or send a message via Google Classroom. I know our students are doing their best to engage in the learning opportunities provided by our teachers. If students do not engage or are struggling, school administrators, supervisors, counselors and teachers will be reaching out to students and families to find out what supports are needed.

Food Services

Since the Governor's Executive Order #107 and in the interests of everyone's health, we are going to serve bagged meals to eligible students on Monday, Wednesday, and Friday between 10 am and 12 noon. Bagged meals will cover multiple days. Students residing in the District, can also pick up meals at any Gloucester Township Middle School on the same days. We are so appreciative of our cafeteria workers for providing this service to the community.

Technology Support

If you are having difficulties with your technology, have an issue with connectivity, have a broken/unresponsive Chromebook, or need a new charger, please call any of the school's main phone numbers...plus extension 4357

Highland is 856-227-4100 extension 4357

Timber Creek is 856-232-9703 extension 4357

Triton is 856-939-4500 extension 4357

OR

Email the technology department at helpdesk@bhprsd.org.

The IT department members will assist students, at Highland High School, by appointment only starting Tuesday, March 24, 2020. Contact the technology departments using the contact information above, anytime, and establish an appointment time. You can expect to drop off and pick up technology devices and other needs, curbside, at Highland Regional High School's Library Media Center side entrance (entrance B-2).
