

Family ID Registration

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our athletic program, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile so you enter your information only once for multiple uses, multiple family members and multiple sports programs.

It will be helpful to have the following information handy to allow for accurate completion of your online registration.

- Doctor information; health insurance information; emergency contact information

A parent/guardian should register by going to: <https://www.familyid.com/black-horse-pike-regional-school-district>. Directions can be found in the “Links” section located on the right side of the FamilyID/Black Horse Pike home page.

If you need assistance with you registration, you can call Family ID at 888-800-5583 x1 or email support@familyid.com. FamilyID also offers online chat during business hours and a support center.

FamilyID registration MUST be done completed by ALL athletes for EVERY season. Registrations do not carry over from sport to sport
