Where Inspiring Excellence is Our Standard and Student Achievement is the Result

May 1, 2020

Dear Mustang Students, Parents, and/or Guardians,

Today marks the end of six weeks of remote learning. It seems far too long ago that we were walking the halls of Triton, asking students for their IDs, or telling them to put some “pep in their step” and get to class. Nobody could have predicted what we are experiencing as a nation, and we are still uncertain as to what the future holds. However, one thing is certain, we miss our students.

It is time, to begin making decisions about events that were scheduled and that are typically planned for the end of the year. Unfortunately, we had already made the decision to cancel the Senior Trip. The good news is that the travel agent is mailing our refund check within the next week. Once we have the check, we will begin refunding our students.

I have met with our Central Office Administration, conferred with the principals of Highland and Timber Creek, and consulted many faculty advisors to determine how we can ensure that our students, especially the seniors, end the year with as many positive memories as possible. Below is a chart with dates and information on cancelations or changes in format for various events. We are doing everything within the guidelines outlined by the Governor to provide the Class of 2020 with the experiences they have been looking forward to throughout their high school years.

I will continue to hope that we are back at Triton before June 16th. I want to see all 1,161 students so that I can say, “Good Morning,” “Have a Nice Day,” and ask them how they are doing. I miss ALL of the students, faculty, and staff, and I look forward to the day when we are permitted to return to the building that is like our second home. Until that day comes, if you have any questions or concerns, do not hesitate to contact me: msheppard@bhprsd.org
