To be a team manager, you must complete Step 1 only. To participate in the Indoor Percussion, you must complete steps 1 and 2.

- Basketball, Cheerleading, Indoor Percussion, Swimming, Winter Track and Wrestling must be completed by: **Monday, November 14th**

Please be aware that the password reset could take some time, up to 24 hours. If you still do not receive an email, please contact the Counseling Office for assistance.

Step 2 – Health Forms:

- Basketball, Cheerleading, Indoor Percussion, Swimming, Winter Track and Wrestling: **Due – Nov 14th, 2022**
 - Any physical handed in after the due date will delay your child from being cleared to start practices
 - It takes one week (7 days) from when the physical is turned in and when it is approved
- Physical Examination Form: If your child has not had a physical in the past year, you will need to schedule an appointment with your physician using the [Pre-Participation Physical Examination Form](#) (Physical packet)
- Hard copies of the packet is available in the Athletic Office.
- Please contact the school nurse for specific information regarding your child's necessary Health Forms

All Physical Evaluation Forms must be reviewed by the school physician per NJ state law for your child to be cleared. Please drop your forms off to the school nurse or the Athletic Office by the date listed above to allow enough time for review and processing.

Step 3 - ImPACT Baseline Test:

The online ImPACT Baseline Test is required once a year during your freshman & junior years before the athlete's first sport. If you are going to be in 10th or 12th grade and this is your first time on a sports team, or you are new to Triton Regional High School, you will need to take the baseline test. If you are currently being treated by a doctor for a concussion, do not take the baseline test and contact the Athletic Trainer or nurse ASAP.
