

## March Nominees

### **Basketball Boys - Robert Beecher (11)**

Bobby was our go-to guy all season long, and every team knew it. We were proud of the way Bobby grew as a player and as a captain as well. As the only returning varsity player from last year, Bobby knew he would have to find balance between being too demanding and too patient with a young team. Bobby finished the season averaging 19 points per game and 6 rebounds per game. He averaged 24 points per game over the last 5 games of the season. We're very proud of the progress Bobby has made and are excited to see what he can do next year with a full season.

### **Basketball Girls - Debra Beecher (10)**

Deb made a huge jump from her freshman year to her sophomore year as a player. On the defensive end of the floor, Deb was a force inside for the Mustangs. Averaging 5 blocks a game and totaling 74 on the season, Deb was one of the state leaders in blocked shots. She recorded a season and career high with 12 against Delsea. Deb also added an impressive 102 rebounds on the season to lead the team as well. The coaching staff is very excited to see Deb's continued growth over the next few years.

### **Cheerleading - Isabelle Mayers (11)**

Isabelle is a great cheerleader and pushed herself out of her comfort zone a lot this season. She worked extremely hard and did anything we asked her to do even if it was new to her. She is an extremely dedicated cheerleader and we can't wait to see her progress next year!

### **Swim - Juliana Megara (12)**

Juliana has been a shining star all season by coming to practice everyday with a great attitude, positive energy and a smile. With the change in our practice schedule due to COVID, she kept the team focused and upbeat. Juliana was named (unofficial- not announced) to 2nd Team All-Conference for the 200 Individual Medley.

### **Track Winter - Gabriella Hicken (11)**

Gabby was one of the hardest working winter track athletes. She gives her all at every practice, supports her teammates, and is always a positive influence in her peers. Gab is a three season athlete, demonstrating her commitment to Triton athletics and embodies the Mustang spirit through her hard work and dedication to the teams she joins!

### **Wrestle - Jack Colton (9)**

Jack is new to the wrestling program and is a very hard worker who never misses practice and always works on improving. Jack has won some matches this season, but has also had some close, tough losses in which he learned. With Jack's work ethic and dedication he will only continue to improve as a wrestler and we expect him to contribute and help the team in the future.

### **VolleyBall Girls - Alyssa Cepero (10)**

Alyssa is the varsity setter on the girls volleyball team, and has had standout performances in victories this season over both Timber Creek and Highland. Alyssa leads the team in both aces and assists and is second on the team in kills and service points. Alyssa works hard every day and leads by example. Great job Alyssa!"
