

May Nominees

Baseball: Richie Paglia: Junior

Richie finished the season strong, finishing with the team lead in extra-base hits, batting average and RBIs. He also had a strong run in May on the mound, throwing several good games while earning his first varsity win. During a difficult season, he showed a tremendous work ethic and really emerged as a leader. He's poised for a big-time senior year.

Golf: Vincent Persicetti: Junior

Vince had come on with some of the lowest scores of the season helping the Mustang Golf Team achieve their 1st winning season since 2012. Vince had to overcome some major swing changes to shoot a team low round of 43 against Pennsville which clinched the 1st winning season in a decade.

Boys Lacrosse: Julian DeFinis: Junior

Julian is a 2nd year player that switched positions this year and has really been a nice addition to our Attack. Julian finished the season with 19 goals, 15 in the month of May along with 6 assists. He was a big reason for our success this year and our strong finish to the season winning 6 of the last 9 games. I look forward to Julian returning next season to be a team leader and him lighting up the back of the net.

Girls Lacrosse: Cami Swanson: Senior

Cami is a 4-year, COVID included, starter for GLax. She is a team-player and natural leader on the field. She is the epitome of sportsmanship and dedication. She never looked for glory, worried about stats, or got agitated by other teams "talking smack." She was key to our defense, and transition game. She will be sorely missed.

Softball: Danielle Procopio: Junior

Danielle recorded 82 strikeouts this season bringing her career total to 101 in two seasons. She not only contributed on the mound but also hit 3 homeruns for us this season! Dani worked incredibly hard in the off season, works hard in practice, and is a leader on our team. I can't wait to see all that she accomplishes next season.

Boys Tennis: Tristyn Malone: Freshman

Tristyn is a first year player for the boys tennis team but has improved tremendously over the season and has stepped up to compete in a varsity position as a 9th grade student. Additionally, he brings a great work ethic and positive attitude to every match and every practice. Tristyn is a great addition to the team and we look forward to seeing what he can accomplish next year.

Boys Track: Sean Lemon: Junior

Sean Lemon is the boys track athlete for the month of May. Sean has worked incredibly hard this season, to the point where he has become a very good triple jumper and long jumper. Beginning of the year Sean didn't know what triple jump was, through each dual meet, and Saturdays competitions Sean has PR'd every meet he has been in. Sean has a PR in the triple right now of 38 feet 5 $\frac{3}{4}$ inches. Sean has been a leader all year, next season looks promising for Sean.

Girls Track: Gracie Lutner: Senior

Gracie has really stepped up big her senior year, both on and off the track. Gracie set a personal record in the 1600 and is on her way to setting a new PR in the 800 as well. Her bubbly personality has proved to be a huge asset as she is easily able to make friends with everyone and help motivate her teammates. We are extremely proud of Gracie and are sad to see her go, but very excited to see what the future holds for her.

Boys Volleyball: Marcus Madiedo: Senior

Marcus is a senior first year player for the boys volleyball team. He is the lead outside hitter in the program, and one of the few players on the team to play all six spots on the court every match. Marcus led the team in kills this season, highlighted by a 9 kill, 18 dig performance at Highland. Marcus is a great team leader, helping the younger players develop their skills, was always one of the first at every practice and one of the last to leave.
