## **Cheerleading: Vianna Lombardi 12**

Vianna is a captain this year for the Fall Cheerleading team. She demonstrates amazing leadership qualities and is not afraid to take lead at practice or games. Vianna's teammates respect her and will respond to her direction. I have relied on Vianna to assist with teaching material for game day and assisting with our competition routine. Vianna never hesitates to assist when asked. She is present at every game and practice and rarely has complaints. I know I can count on Vianna to provide constructive criticism and assist her teammates with stunting, cheers, and even tumbling. The Fall Cheerleading team is lucky to have Vianna as one of their captains!

## **Boys Cross Country: Liam Aldrich 9**

Liam has been working really hard in practice over the past few weeks to improve his speed in his 5k. As a coach, I have asked Liam to really push his intensity in workouts over the past few weeks and he has really proved himself as a dedicated member of the team.

## **Girls Cross Country: Maggie Chen 11**

Maggie is an amazing addition to the cross country team. As a coach, I can always count on Maggie to step up and lead the team during practice or get them hyped for a meet. During practice, I never worry about Maggie pushing herself to improve. While our captain was out for a bit, Maggie really stepped up into the leadership role of our team and she did a fantastic job.

## **Field Hockey: Olivia Broome 10**

Olivia is one of the top forwards in the Tri-county conference. She is a work horse on the field and has led our team to many victories this season. Olivia's stick skills and tenacity are at a high caliber level. She has 26 goals and 15 assists this season. We are so proud of Olivia's ability to stay composed when other teams put a lot of pressure on her. We are looking forward to watching Olivia succeed in her field hockey career at Triton.

## **Football: Sebastian Fernandez 11**

One of the hardest working players we have on this team. Even tho he is not a captain Sebastian is a leader on and off the field. First player in the weight room and last player out of the weight room during the off season. Never thinks twice to help a teammate out when in trouble or is in need of help. Plays multiple positions on the field, during a game. Not because he once too but because he knows it gives the team the best chance of winning. Looking forward to watching the future success of Sebastian and the Triton Football Team.

## **Boys Soccer: Josh Wood 11**

Josh has recovered from an injury and trained hard all summer to get back on the field. Josh has been a leader on the field and has scored two goals the last two games of the season as a defensemen. .

The senior captain played an important role this Fall for girls soccer, posting 14 goals and 11 assists on the season. She has been a captain for the past two years, leading the team on and off the field. She is a positive role model and leader.

## **Girls Tennis: Misha Naran 12**

Misha is our 2nd Singles this year and has been a grinder all season. She wears down her opponents by getting everyball back. This never-give-up determination has led to 6 wins this month, including 2 wins at 1st Singles and 1 in the State Playoffs over Cherry Hill West.

## **Girls Volleyball: Daejah Purnell 12**

Daejah is an outside hitter, co-captain and the unquestioned leader of our volleyball program. Daejah is the team leader in kills, and is among the league leaders for kills in Tri-County Conference. Daejah had double digit kills in October in wins over Cinnaminson and Holy Cross, and led the team in kills in the division win over Timber Creek. Daejah leads by example for the rest of our girls both on the court and in the classroom.
