### **Basketball Boys - Alex King 11**

Alex is one of the most dedicated players we've had in our program. Alex is always willing to do whatever it takes for the team to be successful. His energy on defense is second to none and he's a great role model for our younger players. We're extremely proud of Alex's growth this season and can't wait to see what the future holds for him.

### **Basketball Girls - Rylee Shappell 10**

Rylee has shown an incredible amount of growth from the start of the season. Her effort and intensity are two of her biggest attributes. Rylee gives her all on both ends of the floor and has emerged as a leader on the court. Whether it is a game or practice, Rylee can always be seen pushing herself and her teammates. The coaching staff is excited to see Rylee continue to grow over the next few years.

### **Cheerleading - Kaylee Alexander 10**

Kaylee is an extremely dedicated athlete that we are so very thankful to have in our program. Her energy at every game and practice has helped us get through some very stressful times. Kaylee ALWAYS gives her all, adapts when needed, and is very creative. Her passion for cheerleading is one of a kind and we enjoy watching her grow each season.

### **Swim - Jason Tran 12**

Jason has emerged as a team leader this season. He is a dedicated swimmer that is extremely coachable and always looking to improve. He leads the drills during practices and is a positive role model for the underclassmen. Jason excels in the distance events and this week placed 1st in the 500 Freestyle.

### **Track Winter - Madalyn Persichetti 9**

New to track and field, Maddie shows great promise in the throwing events. She works hard in the weight room and on the field, and her hard work can be seen in her form, strength, and personal growth. We look forward to seeing Maddie's continued growth and future successes as a thrower.
