Dear Parent/Guardians:

Highland Regional High School is hosting its annual 8th Grade Parent Information Night on Tuesday, February 6, 2018 starting at 6:00 PM for parents and guardians of the students in the class of 2022. On this very important night, Director of School Counseling Art Alessandroni will provide the families with a very thorough Grade 9 curriculum overview, followed by a meet-n-greet with the school counselors and conclude with a tour of Highland High School. Parents/guardians **MUST** bring the completed ***student course selection forms*** and a completed ***demographic form*** on this night (these forms were mailed home at the end of January). If you are still undecided on which high school your son/daughter will attend, we would still require this paperwork to be returned at this event.

We hope to see all of you at this very important event. High school is a new beginning and a new chapter in your child's life. Highland can fill the next four years with a great education and wonderful memories. See you February 6th! Go Tartans!

Sincerely,

Art Alessandroni
