**BLACK HORSE PIKE
REGIONAL SCHOOL DISTRICT**

WHERE INSPIRING EXCELLENCE IS OUR STANDARD
AND STUDENT ACHIEVEMENT IS THE RESULT

**BLACK HORSE PIKE
REGIONAL SCHOOL DISTRICT**

**COUNSELING
REFERRAL SERVICES**

Teenagers are exposed to external and internal struggles which can impact student success. The Black Horse Pike Regional School District aims to provide all students with the knowledge, attitudes and skills to cope with these obstacles and develop a healthy lifestyle. Providing mental health support and referral to services is an integral part of our district's mission in promoting the well-being of each student. The district partners with a network of community services and agencies, creating a coordinated effort to promote a continuum of care and services for all students and families.

S.T.O.P. Program

Students Taking an Opposite Path

The S.T.O.P program is a therapeutic/counseling program for parents and students. Certified counselors trained in addictions from the Center of Family Guidance meet with both parents and students in 5 week sessions. This early intervention program is initiated when a student has confirmed use of illegal substances, or at the request of a parent, and incurs no cost to the family. The goal of the program is to offer support to students and families at the onset of a drug problem.
