

BENEFITS OF STUDYING ITALIAN

Italy is one of the top five economies in the world, and many employers are seeking people who speak both Italian and English.

- Knowing Italian is greatly beneficial in several career fields:
 - culinary arts
 - interior design
 - fashion and graphic design
 - machine tool manufacturing
 - robotics
 - electromechanical machinery
 - shipbuilding
 - space engineering
 - construction machinery and transportation equipment.

Italy has the culture, landscape, and history to fill a lifetime of investigation. Knowing Italian places you in a position to explore Italy's past and present from the most fulfilling vantage point.
