Where Inspiring Excellence is our Standard and Student Achievement is the Result

COMMUNITY:

Gloucester Township is a 24 square mile sprawling suburban community situated in Camden County, within the Philadelphia Metropolitan area. Only 8 miles east of Philadelphia and 50 miles west of Atlantic City, Gloucester Township is one of the fastest growing municipalities in South Jersey. Gloucester Township's population now stands at over 60,000. The township is ranked the third largest municipality in Camden County.

HIGH SCHOOL:

Accredited by the New Jersey Department of Education, Timber Creek is one of three high schools in the Black Horse Pike Regional School District. Timber Creek High School is a Renaissance School; the core values of which are respect, recognition, rewards and reinforcement for academic performance and good school/community citizenship. Current enrollment is 1,126, and our average class size is 26 students in academic subjects.

The mission of the Black Horse Pike Regional School District is to educate a diverse population in an atmosphere consistent with the ideals of a free and democratic society. We are committed to an exemplary educational program, based upon the Core Curriculum Content Standards, as adopted by the State Board of Education. It is the expectation of this district that all pupils achieve the New Jersey core Curriculum Content Standards at all grade levels. We will continue to improve students' and teachers' technological literacy as a means of preparing for the future with confidence and creativity. Our schools will ensure the safety and security of all students and strive to provide the best learning environment. We will enhance our students' growth by providing them with a creative, purposeful, and ethical atmosphere. We are dedicated to providing our students an opportunity to achieve academic goals, develop good citizenship skills, and make a positive contribution to society.
