

Home Instruction Procedures:

If a student is placed on home instruction and is unable to take Health and/or Physical Education, they will be required to complete written work.

- The counseling office will notify the PE teacher of the student being placed on home instruction.
- The PE teacher will provide the written work to the home instructor and/or supply online work to be completed via Google Classroom.
- The home instructor will return all completed written work to the PE teacher.
- The PE teacher will grade work and enter grades into Genesis.

Medical Excuse:

If a student has a medical excuse and is unable to participate in Physical Education, they will be required to complete assignments located on their PE teacher's Google Classroom or placed in an Adaptive PE Class.

- The counseling office/nurse will notify the PE teacher of the student being put on a medical.
- The PE teacher will provide submit assignments to the student via Google Classroom.
- The student will submit all completed work to the PE teacher.
- Students in Adaptive PE will be graded according to their individual plan outlined by their physician/trainer.
- The PE teacher will grade work and enter grades into Genesis.
