Dear Triton Alumni and Community Members,

The Alumni Development Committee has voted on their second project. We will be constructing a pavilion to honor a beloved teacher and coach, Mr. Jim Doyle. Coach Doyle taught Physical Education and coached football and track for over 25 years. He retired in 1992 but continues to be a part of Triton as an active member of the Athletic Hall of Fame Committee and attending many events at the school.

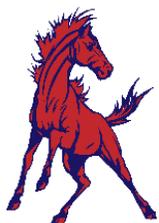

During his career as an educator Coach Doyle made strong connections with his students and athletes. Many of his athletes continue to maintain a relationship with Coach and attribute their success to the lessons learned on and off the field under his leadership. Coach Doyle is known for his dedication, determination, and work ethic. He held his student-athletes to high standards and modeled the same. Coach Doyle taught them how to perform on the field and how to be model Mustangs off the field. It is for these reasons that the committee has chosen this project.

The pavilion will be located next to the entrance of the stadium where he coached football and track for many years. The floor of the pavilion will be outlined with pavers displaying the names of Triton Alumni and community members who wish to pay tribute to Coach Doyle. You can contribute to this endeavor by purchasing an engraved paver or making a donation. Larger groups may also purchase a side of the column, there are limited number of columns for sale. For pricing and information on the columns please contact us. You may also visit the Triton Alumni Development Committee webpage www.trihighalumni.com. Any questions can be e-mailed to Ed McLaughlin emclaughlin1975@gmail.com or Melissa Sheppard msheppard@bhprsd.org. If you do not have access to a computer or prefer to use a paper, attached are order forms.

Sincerely,

The Triton Alumni Development Committee

Once a Mustang, Always a Mustang!
