January 8, 2019

Dear Black Horse Pike Regional School District Parents and Students:

We are excited to inform you of our partnership with KAPLAN K12 Learning Services, a national leader in standardized test preparation. **Through this relationship, we are able to bring the KAPLAN SAT Prep Program to Highland, Timber Creek, and Triton Regional High School juniors (11th graders) for the greatly discounted price of only \$250 (regular fee: \$600).** KAPLAN will be offering this course to prepare for the upcoming May 4, 2019 SAT. Enrollment is limited to 25 junior status (11th grade) students from each school, so to ensure a space, please enroll early. Please note that student attendance at **ALL** sessions is imperative to this program successfully improving their scores.

Let's face it. We would all love to live in a world where these tests don't exist. But, since you have to take them, you should be prepared to ace them. The tremendous success that KAPLAN students achieve can be attributed to the care they have taken in designing the program. No other course offers you:

- **18 hours** of classroom preparation with superior coaching that focuses on all the important concepts, skills, and strategies you need to test with confidence and score higher.
- **4 full-length practice tests** to ensure students get the practice they need and gain the confidence to relax during the actual SAT.
- **Results.** KAPLAN instructors will keep you focused on the areas of the exam where you can gain the most points so that you will achieve your goals. We all want you to succeed. Your success is **OUR** success -- the Black Horse Pike Regional School District and KAPLAN are in this together to help you raise your scores!
- Access to KAPLAN's Online Student Center 24/7.

To enroll in this course, parents must complete the enclosed enrollment form, and return it along with a check for \$250, made payable to the Black Horse Pike Regional School District.

This program will prepare juniors for the May, 2019 SAT. Space is strictly limited in this course. Don't miss your chance to prep with KAPLAN. Enroll today!

For those students that are unable to commit to this program but are in need of SAT preparation, please see the enclosed flier, for additional online classes, and other resources offered to students in our district.

Sincerely,

Julie A. Scully
Director of Personnel Management
